Function Menus

We have achieved many awards for the quality of our food. In fact, we're passionate about it and very proud that our kitchen team hold Two AA Rosettes.

In order to maintain our high standards, we do ask that just the one starter, main course and dessert is selected for your entire party, allowing of course for vegetarians and any guests with special dietary requirements. We are happy to devise menus to your personal specifications wherever possible and additional courses are charged for as taken. Chef would also welcome the opportunity to discuss a gourmet menu option with you.
